Subject: Certificate of Compliance
Product: Bare Copper

This letter is to certify that Republic Wire, Inc. produces gauge sizes 14 – 750 mcm stranded soft drawn bare copper and 14 – 2 gauge solid bare copper in accordance with ASTM standards B3 and B8.

This letter is to further certify that the described material has been manufactured within the United States and are compliant with Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS recast).

Thank You,

Jeremy Rosenbeck
Vice President of Sales
Republic Wire, Inc.
